# Paying for your treatment...

Thank you for choosing Marie Stopes International for your treatment. Marie Stopes is a specialist reproductive health organisation and a registered charity, working in both the UK and overseas.

Our nine main centres help over 100,000 women and men each year. Any financial surplus generated in the UK goes towards providing reproductive healthcare services for families in some of the poorest communities in the world.

A range of health screening services are available at Marie Stopes Centres.

Payments can be made by cash, cheque, Visa, Mastercard, Switch, Delta, Solo, and Electron.
