

**When did you
last have a
cervical smear?**

Many women feel a little nervous about having a cervical smear test, yet regular screening has saved thousands of lives by discovering problems before they become serious.

**Don't be nervous take control of your health!
It only takes a few minutes.**

Local Marie Stopes Clinics are offering a reduced cost cervical smear visit to all women including those under 25.

We use the latest smear technology and results are fast.

**Cost: £50 for your visit and smear test
(on presentation of this card)**

Call **0845 300 0460** (24 hours)
to arrange an appointment.
