Paying for your treatment...

Thank you for choosing Marie Stopes International for your treatment. Marie Stopes is a specialist reproductive health organisation and a registered charity, working in both the UK and overseas.

Our nine main centres help over 100,000 women and men each year. Any financial surplus generated in the UK goes towards providing reproductive healthcare services for families in some of the poorest communities in the world.

PAYMENT METHODS

- If you are paying for your treatment yourself, we offer a number of ways in which you can pay the fees, including cash, Visa, Mastercard, Switch, Delta, Solo, and Electron. Cheques are not accepted.
- If someone is paying on your behalf by credit card or debit card, the cardholder must accompany you to the centre at the time payment is to be made.
- You will be asked to pay our fees prior to receiving treatment and this may involve both a consultation fee and a procedure fee. If you have paid a deposit when booking your appointment, this will be taken into account when calculating the balance to be paid.

If you have any questions or concerns about payment of our fees please call [Marie Stopes One Call on 0845 300 8090](tel:08453008090) and speak with one of our Client Service Assistants.
