Depo-Provera contraceptive injection	£40								

Thank you for choosing Marie Stopes International for your treatment. Marie Stopes is a specialist reproductive health organisation and a registered charity, working in both the UK and overseas.

Our nine main centres help over 100,000 women and men each year. Any financial surplus generated in the UK goes towards providing reproductive healthcare services for families in some of the poorest communities in the world.

PAYMENT METHODS

- If you are paying for your treatment yourself, we offer a number of ways in which you can pay the fees, including cash, cheque, Visa, Mastercard, Switch, Delta, Solo, and Electron.
- Please note that cheques can only be accepted if drawn on a UK bank account and supported by a valid cheque guarantee card. Cheques issued for amounts in excess of the cheque guarantee limit will be subject to authorisation and acceptance by Equifax.
- If someone is paying on your behalf by personal cheque, credit card or debit card, the cardholder must accompany you to the centre at the time payment is to be made.
- Company cheques can also be accepted subject to authorisation by Equifax.
- You will be asked to pay our fees prior to receiving treatment and this may involve both a consultation fee and a procedure fee. If you have paid a deposit when booking your appointment, this will be taken into account when calculating the balance to be paid.

Easy Payment Scheme

- We also offer an “Easy Payment Scheme” through which you can spread payment of a proportion of our fees over a three month period.
- We will ask you to pay a deposit calculated to leave a balance of up to £300 dependent on the value of your cheque guarantee card. A small administrative fee of £5 is also charged and will be added to the value of your deposit.
- To repay the balance, you will be asked to leave three post-dated cheques of either £50 or £100 that total the balance remaining, dated over the following three months. These cheques should be supported by a cheque guarantee card presented for payment on the due dates and used to clear the unpaid balance.

If you have any questions or concerns about payment of our fees please call [Marie Stopes One Call](tel:08453008090) on 0845 300 80 90 and speak with one of our Client Service Assistants.
