

# Looking for PHSE resources to support 11-15 year olds learning about sex?

puberty

periods

peer pressure

contraception

sex and sexuality

lovebugs

teenage pregnancy

emergency contraception

help and advice

**likeitis.org** is a web site that tells them what they need to know about sex, exactly like it is with no frills, no judgements and definitely no holds barred! Since getting access to the internet isn't always easy...

...CD and booklet versions of the website are available NOW!

See reverse for how to order

Feedback from likeitis users:

"Hey, I just wanna say that ur site roks!!  
It's really informative....thx :)"

Feedback from schools:

"what a fantastic job you have done. Great  
information!!! I will share this with the kids I  
see and teach. Thank you for a great  
resource!"

# likeitis

| Quantity | Cost of each booklet<br>(includes VAT & P+P) | Cost of each CD<br>(includes VAT & P+P) |
|----------|--|---|
| 1        | free   | free                                    |
| 2-50     | £0.80  | £0.60                                   |
| 51-100   | £0.70  | £0.50                                   |
| 101-500  | £0.60  | £0.40                                   |
| 500+     | £0.50  | £0.30                                   |

I would like  booklets at £  each

I would like  CDs at £  each
